# ANALYSIS OF THE PROJECT AND OF THE ACTIVITIES REALISED

## 1) KOM

---

The kick off meeting of the project took place on **3 September 2021 in Rome.**

---

The Extraordinary social change through sport project aims **to improve socio-sport animation through cooperation between sports promotion bodies and organizations that promote social inclusion.**

---

The objective is consistent with the topic "**Encourage social inclusion**" and "**Equal opportunities in sports**".

## 2) INTERNATIONAL MEETING IN ROMANIA

---

The **second international meeting** of the project took place on **18 February 2022** in Bucharest, Romania.

---

The meeting led to the development and **definition of guidelines to be transferred to the partner associations** and to all sports and social associations, useful to promote the inclusion of a number of categories of people who suffer from prejudices and difficulties in economic, geographical and cultural terms.

---

The result was the **creation of quality guidelines**, using the expertise of all participants in the event.

### 3) INTERNATIONAL MEETING IN BULGARIA

---

The **third international meeting** of the project took place on **10 May 2022** in **Bansko, Bulgaria**.

---

the aim of the meeting was to **sharing the results of the use, of the guidelines drawn up at the previous meeting**, and based on the results, the participants divided into working teams and **developed a methodology for the application of the guidelines**, which could be replicated and shared with all interested stakeholders.

---

**The methodology was created according to a practical approach**, with a view to daily use applicable to those categories of people who are fragile, marginalised or discriminated against

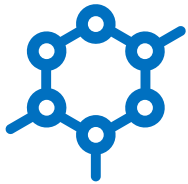

# RESULTS OBTAINED

Guidelines for quality social-sports animation

Method for verifying the quality standards of social and sports activities

Network open to other interested associations

# IMPACT

Associations will be able to self-assess their activities, what impact they generate, what benefits they bring and how they can continue to improve.

All persons operationally involved in this project was active by creating a dynamic and collaborative environment improved their teamwork skills, interpersonal conflict resolution and acted in a constructive spirit.

# IMPACT

Youth workers from other organisations will be able to participate indirectly, make contact with participants, be inspired by new projects, learn about the Erasmus Plus programme and its opportunities, find potential partners.

Raise awareness of the need for enhanced cooperation at European level on their own topics of action.

The staff of other non-partner associations will be able to use the results of the project to apply it to their own context. In this way they will have the opportunity to exploit the benefits of the project even if they did not participate in it.

# IMPACT

Beneficiaries will be able to benefit from the results of this project and apply them to their 'concrete case'. Authorities will be able to use the methodologies produced and thus generate a multiplier effect of the results.

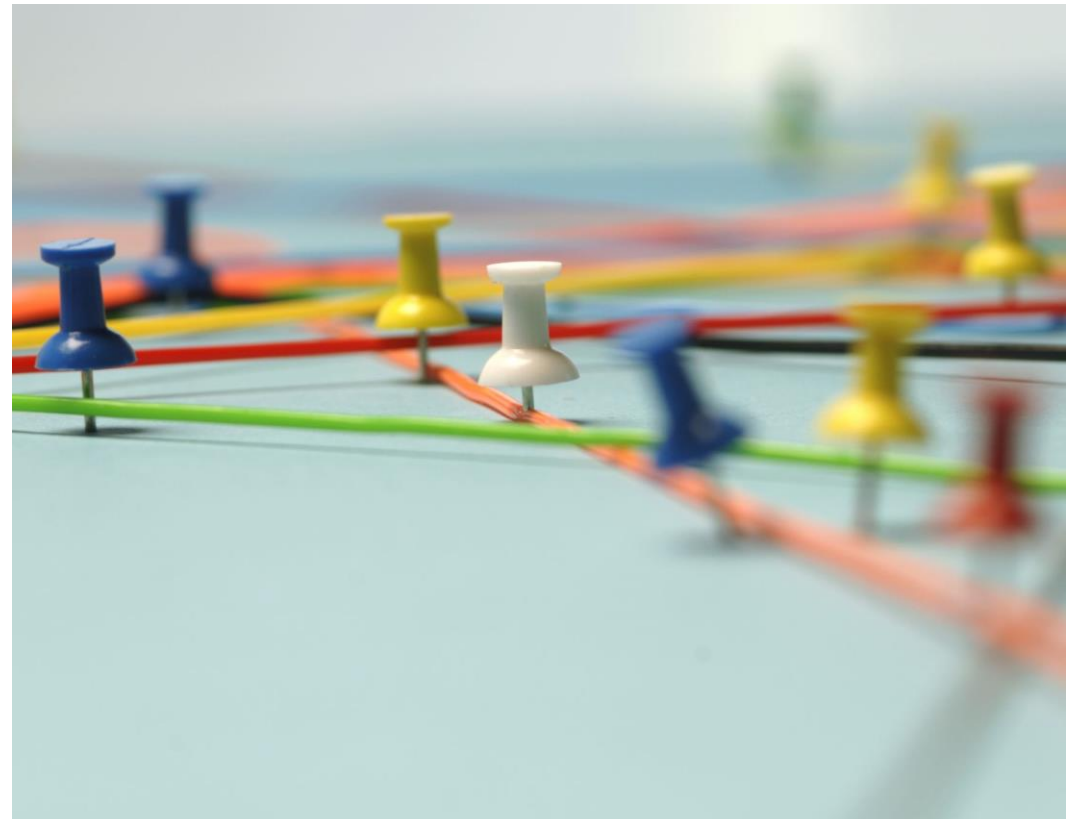

Political decision-makers, on the other hand, will have the opportunity to collaborate with the agencies involved in advocacy policies on the topic and/or improvements at regulatory and governmental levels (at regional, national and European level) with respect to the project topics.

# FUTURE WORKS AND PROSPECTIVES

- How can we disseminate the results of the project, reaching as many stakeholders as possible?
